I ♥ THE CLASS of '84
THE ROAD NOT TAKEN
by Robert Frost
Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth.
Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same,
And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.
shall be telling this with a sigh
where ages and ages hence
roads diverged in a wood, and I-
the one less traveled by,
that has made all the differ

Let's party all night long
And listen to our song
I know we'll start to cry
If we try to say "Goodbye"

So lets just say "So long"
but still listen to our song
For Someday the record will be
worn out,
And so will we with no doubt

But when our hair is of silver
and grays
We'll still remember our
younger days
When we love to live and loved
to sing,
When we smiled at life, and did
our thing.

Tantasqua Scholars

The staff of the Tantasquan takes this opportunity to at congratulate Michael Dziura and Karen Krans the highest ranking male and female students in the class of 1984. We do this not only to honor these two disciplined and talented people, but to also focus on the virtues of scholarship and study that they practice.

Tantasqua offers students a wide range of activities for growth and social development, and each pursuit has its own merits. But because we all realize that the primary purpose for our presence here is to broaden and deepen our understanding of the world, and because we affirm that it is only through academic excellence that a complete education can emerge, we ask that Karen Krans and Michael Dziura be praised for their own efforts and as symbols for all Tantasqua students who are engaged in the serious pursuit of knowledge, information, and wisdom.

Class Officers

Treasurer — Paul Waters
Vice-President — Kathy Fontaine
President — Karen White
Secretary — Charlene Boudreau

I'm at that awkward age when childhood is merely a bundle of memories, tied up so lovingly with a naive pink bow.
I need only to close my eyes to remember . . . It would be too easy to linger in my past.
My rose-colored glasses are just beyond reach, fading somewhere in youthful laughter.
An-ever present smile still brightens my face, yet sometimes I hurt so badly I want to cry . . . and nobody knows.
I often wonder which highway of life I will travel,
whose warm hands and undying love will make me feel secure,
which of my close friends will keep in touch after our carefree High school days are over.
So very young, yet I feel so old.
"Maturity" teases me — it lets me feel as if I'm in total control, then allows my rare childish side to make a fool of me.
I'm unsure about life, love, values, people, myself.
Maybe when I'm nineteen, twenty-nine, or one hundred and nine, someone will enlighten me.
Until then, I am content to search, change, and remember.

— Anne Hill, 18

There is no Finish Line . . .

Despite poor fan support, the Cross Country team still managed to wrap up the '83 season with a 10-4 record. Running in temperatures ranging from the near 100° mark to the freezing point, runners like Steve Stalker, Paul Tremblay, and Mike Holley led the team to victory against every team in the league, except Auburn, who won the Border-Conference title. The Warriors, although not first, positioned themselves comfortably in second place.

Cliff Gawron and Mark Kocher were involved in a rivalry for fourth place on the team, but as it would happen, Cliff's talent and disciplined prowness prevailed every time. Robin Bouthiller, hindered in the 82' season by a late start due to back injuries, came on strong this year. Although he placed seldom, he aided the team through a consistent effort.

Tantasqua owes a great deal of credit to Dan Cutler and Mike Dziura who kept the teams Border-Conference hopes alive during the home meet vs. Bartlet. Due to unfortunate circumstances Mike Holley and Paul Tremblay were unable to run. Mike D. showed determination in effort and attitude as did Dan C. who improved over last years season a 100%.

Strong effort and spirit was exhibited by Layne Wonderlear and John Fagerquist who couldn't run in the 82' season due to his near tragic bike accident. Two runners to look for in the 84' season are John Philips and Mark Difabio, both freshman.

Tantasqua will have a strong team next year. All eyes, especially those of Auburn, will be focused on the Warrior runners for them there is no finish line.

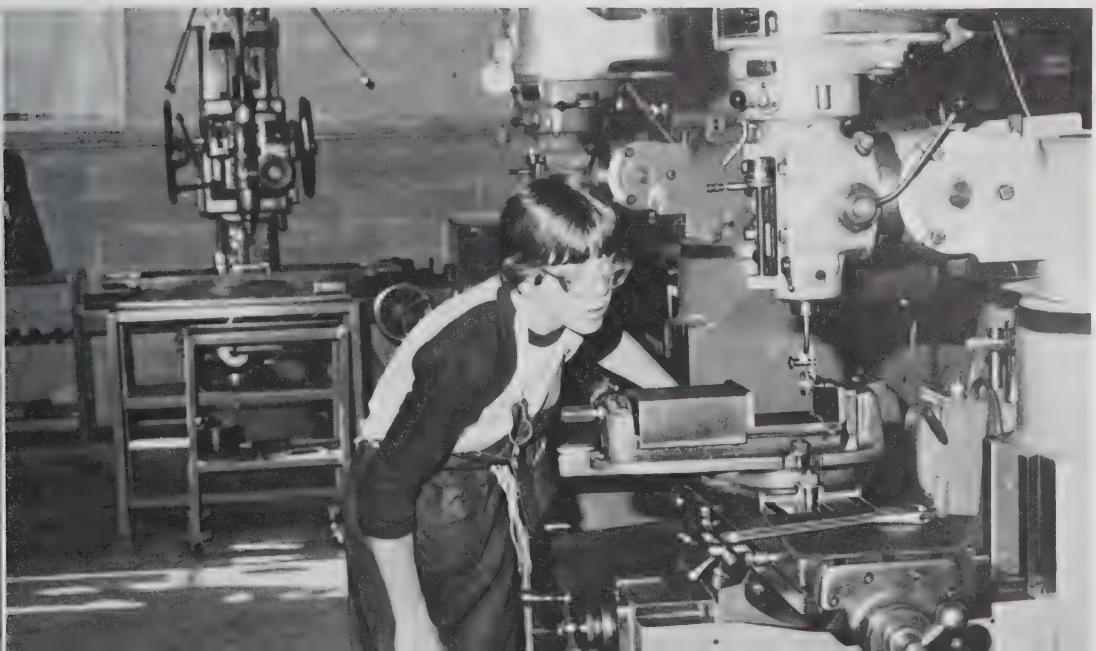
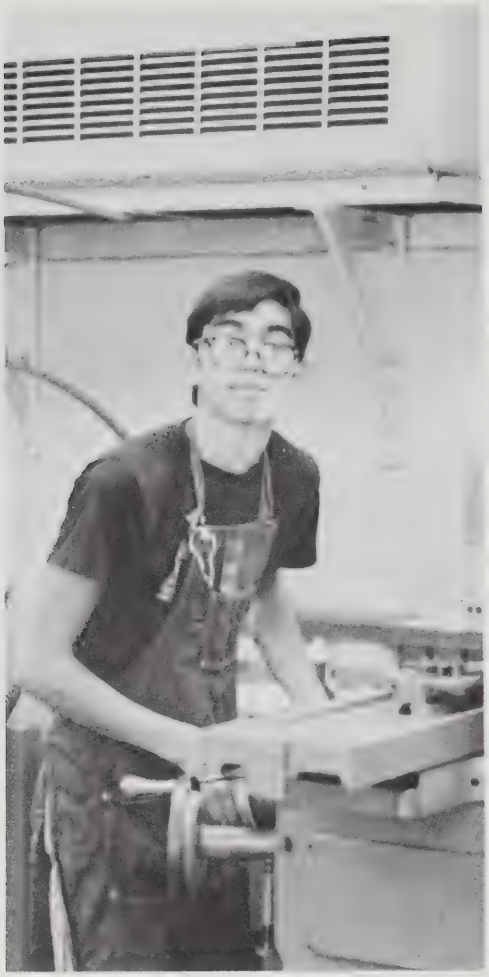
MEMORIAL AUDITORIUM





We dedicate this section of the yearbook to

Michael P. Mannix
1967-1983
He was our friend

Thoughts can't be seen
But they are real
A special warmth
That you can feel
A bit of brightness
In your room
A ray of sunshine
A flower in bloom
A hand that touches
Yours to say
Someone is close
To you today

Officers — T.L. Christieri, Laura Soliz, B.L.; Katie Difabio, Maureen Fountain, Karen Krans

THE ROAD NOT TAKEN
by Robert Frost
Two roads diverged in a yellow wood
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth.
Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same,
And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.
I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I -
Took the one less traveled by,
And that has made all the differ
